7th Grade

2014-15

7TH GRADE

Computer Class 2014-15

Meet the Teacher Night

Overview of Course:

This course is designed as a project oriented "hands on" introduction to the exciting world of multimedia technology including animation, color, graphics, pictures/photos, sound, text, and video. Students will work with both MAC & PC platforms, digital still cameras, digital video cameras, as well as a variety of school software. Students will be introduced to videography and learn about proper use and care of video and audio equipment. Students will also plan, shoot, and edit video using school software. Instruction will also include experiences in graphic design and more.

Materials Needed:

Students do not need to bring anything with them to class. All assignments will be completed & printed out in class.

AUP:

Brandywine Heights Area School District has an Acceptable Use Policy (AUP) that ALL students must follow. If a student violates any of these rules, his or her account will be terminated, future access will be suspended or denied, and disciplinary action will be taken.

Internet Usage:

The use of the Internet is a ***PRIVILEGE***, not a right. This privilege can be revoked or suspended at any time if a student violates any part of the BHMS Internet policy (refer to Code of Responsibilities under this policy).

All students have access to the Internet, unless otherwise specified by a parent or guardian. Each student will have his or her own password. Passwords are NOT to be shared with anyone. The Internet is to be used for educational purposes only.

Grading Criteria:

Students' grades will be based on in-class projects assigned to them; these projects must be completed on time and be of quality work.

Occasionally students will be required to work with a partner or a group/team and will be expected to contribute to the partnership and/or team equally.

Plagiarism:

**Plagiarism is a form of cheating and will not be tolerated. When a person copies another person's work or ideas without giving credit to that person, he or she is stealing and is therefore, cheating. This applies to copying and pasting information from Internet sites as well. If a student plagiarizes, he/she will receive a zero on that assignment and parents/guardians will be contacted.
